## Dozoretz Hospice House of Hampton Roads Is On the Move!

**\$7.2 MILLION**  
DOLLARS RAISED

**\$10.9 million**

**\$7.2 million**

- We are thrilled that so much progress has been made on the construction of the Dozoretz Hospice House of Hampton Roads. In July, we had the "Topping Off" of the house -- the last beam of the exterior construction was put in place.
- In August, we were honored to have Virginia Beach City Council Members Barbara Henley and Amelia Ross Hammond, who is also an HHR board member, tour the site.
- We want to again thank the Hospice One Design Regatta Committee, chaired by HHR Board Member, Dr. John Kenerson, and the Battle of the Paddles Pickleball Committee, chaired by Lucy Newman, for raising a combined total of \$50,000 earlier this year! Both events are on for 2024! More details to follow in the next newsletter.
- HHR is honored to be included in Old Dominion University's *State of the Region Hampton Roads 2023*. The report -- sponsored by the local Chambers of Commerce -- examines serious disease and hospice care in the United States and Virginia. It explores the demand for hospice care by Medicare beneficiaries as well as the changing nature of hospice care suppliers as now more than two-thirds of hospices nationwide operate as for-profit entities. It should be noted that HHR is a community-led nonprofit. The report scans our region for care services for the seriously ill and asks: What is the state of end-of-life care in Hampton Roads?

## THE PATTERSON CHALLENGE

Willcox and Savage Lawyer Hugh Patterson has served as our legal counsel since Day 1 of the Hospice House of Hampton Roads. His wise counsel has guided us through the many legal and regulatory ups and downs of creating a nonprofit hospice house. We can't thank him enough for all he has done for HHHR. And now, he has accomplished even more!

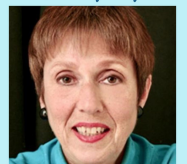

We are so honored and humbled that he created the Patterson Challenge to raise funds for the Dozoretz HHHR. Mr. Patterson matched every dollar donated this summer for a total of \$200,000. To donate visit: [hospicehousehr.org/donate-1](http://hospicehousehr.org/donate-1)

## HHHR BOARD MEMBER TERRY JENKINS: A LEGACY OF GIVING

In June, the life and work of Terry Jenkins were celebrated by her friends and family. Terry was a founding force behind the Hospice of Hampton Roads (HHHR). She realized the value of inpatient hospice care when visiting her sister-in-law who was in hospice care in Raleigh, NC. She returned home ready to volunteer and found no purpose-built hospice houses in Hampton Roads, so her quest to build one began. From design to fundraising to everything in between, Terry was part of all aspects building the Dozoretz Hospice House of Hampton Roads. She furthered her commitment by sponsoring *The Children's Art and Playroom* for the house. We thank Terry for her passion for HHHR and will miss her greatly.
