May 2023

## Dozoretz Hospice House of Hampton Roads Is On the Move!

Our New Board Members  
2023

**\$5.8 MILLION**  
DOLLARS RAISED

- In September of 2022, we welcomed Lynn Clements as our Executive Director. She previously served as the Director of Virginia Aquarium & Marine Sciences Center.
- We started off 2023, with four new board members - Dr. John Kenerson, Bobby Beasley, Carolyn K. Williams and Shari Dozoretz Friedman. Thank you Shari for taking on the important leadership role as Fundraising Committee Chair.
- Construction began in March of 2023. The elevator shaft is in and all of the underground work is completed. The cement foundation has been poured. This month we go vertical with the framing of the hospice house structure! Be sure and check out our website for updated progress videos.
- Our Board hosted a check presentation at the construction site. Thank you to Sentara Healthcare for their \$500,000 grant to HHR.
- Board Member and former Hospice Social Worker Carolyn K. Williams, and Lynn were guests on WNIS-AM's "Ask the Expert" and spoke about HHR as well as answered listeners' questions. HHR's June 17th Pickleball Tournament was featured on WTKR's Coast Live and 13NewsNow this month as well.
- We are excited to share that upon opening, Old Dominion University and Virginia Wesleyan will be educational partners. Look for partnership updates in future newsletters.

## VOLUNTEER SPOTLIGHT

We asked our volunteers:

### What's Your "Why"?

“ I volunteer for the Dozoretz Hospice House of Hampton Roads because both of my parents benefitted from hospice care at the end of their lives. So, HHHR is an organization I feel very passionately about.

Lucy Newman  
Chair, Battle of the Paddles Pickleball Tournament
